@[www.heds.org](http://www.heds.org)

## PHTLS Provider Target Audience:

Course participation is open to all Emergency Medical Services Personnel, including EMTs, Paramedics, Nurses, and Physicians. Those desiring more information should contact Alan Johnson at 605-720-7352 or e-mail [ajohnson@heds.org](mailto:ajohnson@heds.org)

## PHTLS Course Objectives

- to provide a description of the physiology, patho-physiology, and kinetics of injury;
- to provide an understanding of the need for a rapid assessment of the trauma patient;
- to advance the participant's level of knowledge in regard to examination and diagnostic skills;
- to advance the participant's level of competence in regard to specific pre-hospital trauma intervention skills; and to provide an overview and establish a management method for the pre-hospital care of the multi-system trauma patient.
